Notes:

Otago have gone where no team has gone before. They have won Division two and Division one in consecutive years. It was always going to be a close match and so it was. Otago won the open by six, lost the composite by one and most importantly won the juniors by eleven. Otago have performed when it has mattered. Colleen is very proud of them tonight.

There was another interesting battle in division two. Both teams knew that it was the composite match which would dictate the outcome of the match and both teams threw everything at it. It was Taranaki which won a close contest by one point to decide the outcome. The Marlborough juniors were on fire tonight with 592 and two bonus points. The highlight of the evening was William van Asch's two 100's

In the promotion relegation match Eastern Force came up with one of their best efforts for the season to hold on to their place in div 1. They had really good scores in both the open and the composite to win comfortably

Individual efforts of note were a bit thin for the seniors with the only 200 coming from Chris Johnstone. In the juniors Otago's John Brosnahan capped off a good year with a 199.15 and William van Asch scored 200.13 for Marlborough.

Congratulations to Otago and Taranaki.
