Notes

It was an interesting night but nothing much changed. Every team is in exactly the same position as they were last round. In Division 1 Canterbury finally got a win, two in fact as they came out on top in their double header collecting a handy 17 points. Not enough to get them into semi final contention but a good confidence booster after a run of average form. Eastern Force also got some welcome points on the board at the expense of Otago in a very close match. There was only two points in it in both the open and the composite. It is hard to see them avoiding the wooden spoon though as their last match is against Canterbury and they are giving them an 11 point start. Manawatu won the clash with Waikato and are poised to make a run at the leaders with the double header next round. They face The Plainsmen and Otago. The Plainsmen need to win this really well and hope one of the others above them in the table

is on the receiving end of a whitewash to make the semis. It is a long shot.

In division2 Southland had a god win over Nelson only losing the juniors. Wellington white washed Wanganui even taking the composite from the composite specialists on the night and Taranaki had a clean sweep over Marlborough. Taranaki have been the team to beat however Marlborough would have expected to win the juniors as Taranaki have struggled a bit in that department but a very solid 580 was too good. The Semi finalists seem to be sorted here although one of the bottom two teams have a chance if they take maximum points from the final match where they face each other and need wellington to give Marlborough a good hiding. It is a long shot as well.
