Notes

Well, Well, Well, Who would have thought that Manawatu would get taken out in the semi's two years in a row. This time it was by last years division 2 winners Otago. Otago have done extremely well this year. Previously when division 2 winners have made it to division 1 they have only lasted one year and then have slipped back to division 2. Now Otago are in the final. Manawatu would be gutted though because the match came down to inners in the open. There was some good scoring in the Hutt Valley Waikato match. Hutt Valley took the open and Waikato the composite but it was the Hutt Valley juniors that made the difference winning comfortably.

In division 2 Marlborough turned up and although outclassed in the open took the composite and juniors to win over Wellington. Marlborough have a very good junior team and their composite came to the party this time. The Southland Taranaki match was a replay of round five but with a different outcome.

Taranaki took the open as expected and Southland took the composite, just, but this time Taranaki come out on top in the juniors and with a couple of bonus points made it a comfortable win.

No 300's this week but Ralph Small got a 100.10 and there were 200's from Ralph, Dave Fake and Paul Tidswell. In the juniors there were 100's from John Brosnahan and William Van Asch.

The finals will be interesting. In division one, looking back at the round robin scores there is not much between Otago and Hutt Valley. It doesn't appear that one has an advantage over the other in any team. It will come down to who puts it together on the night. In Division 2 Taranaki have the best form in the open and Marlborough have the edge in the juniors so it could come down to the composite and bonus points.
