### **Notes:**

This round has been a bit unusual with every single match being a clean sweep.

Division 1: Manawatu continue to dominate the competition and cleaned out Hutt Valley. It was a bit closer than it looked with only 3 points separating the open teams and 3 in the composite. However the total of 5028 is right up there. The Plainsmen dealt to Waikato fairly easily although there was only 2 points in the open teams match. This prompted Bryan to break out the good stuff for afters.

Division 2: Marlborough got tripped up by Alpine West which put in a solid effort just 1 point short of the 5000 mark. These two will fight out the final and although Alpine West won this one Marlborough are certainly capable of turning the tables in the final. Southland suffering from an A&F hangover never raised a gallop and got routed by Wellington. They will be hoping they can pick it up for the annual grudge match against Otago on Saturday.

Division 3: Taranaki have put up division 1 scores since finding themselves in division 3 and gave Otago no chance. The 5020 total was second only to Manawatu this round and with 3 x 300's and 1 junior 200 collected 5 bonus points as well. Otago will be up against them again in the final and will have to find something extra to beat them on this form. Nelson backing up their A&F win easily accounted for Wanganui who haven't been able to score a point in the last three rounds.

there was some great shooting this round. A 300.26 from Bruce Cameron which might be the best we have seen in the NDC and a 200.14 from Taranaki junior Sam Gooding which included a 100.9. What are they putting in the water up there??? There were 9 x 300's. Others from Lindsay (thats five) Arthur, Roy Herbison, Sarah Stackhouse, Dave Fake, Janet (in my favourite position) Hunt, Duncan Carmichael and Steven Lye. There were two junior 200's, the other one from Blake Gibbs. This is great shooting and it is looking good for a great North v's South match next weekend. Good luck for all of you who are involved.
